TO WHOM IT MAY CONCERN;

I have known Maggie Lockridge, for the past five years. I have always found her to be professional, competent, truthful and reliable in all of my dealings with her.

I know she has exceptional skills in "after care" services for patients recovering from reconstructive and cosmetic surgeries. She can employ a wide range of choices in that recovery treatment.

Also, she is extremely adept at reading and understanding medical records. I find Maggie to be an extraordinary and compassionate human being.

Feel free to contact me if you have any further questions.
